ST. MARK'S SCHOOL OF TEXAS

Dallas, Texas

The Hawk

For the many qualities that have made him an integral part of St. Mark's—his friendship, his interest, his sense of humor, and his devotion as teacher and coach—we, the Class of '66, dedicate our yearbook to

Mr. Thomas S. Adams

ST. MARK'S SCHOOL OF TEXAS

10800 PRESTON ROAD

DALLAS, TEXAS 75230

March 6, 1966

What follows is a pictorial history of the academic year 1965-66, our Senior year at St. Mark's. We who compiled this history have tried to capture in pictures the mood which surrounded the various events of the year. We have tried to create a book that will serve as an accurate reminder of our final year in high school.

Of the many events which made up our Senior year, the writing and laying out of *Marksmen 1966* was certainly one of the most significant. We raised the money necessary to publish a yearbook, photographed the various organizations and events of the year, and then gave order and meaning to this mass of pictures. Yet, to us, the staff, *Marksmen 1966* is far more than a collection of photographs and explanatory paragraphs. It is a reminder of night sessions that often did not end until 3 A.M., of deadlines that brought frantic attempts to finish pages and to raise money, and of bull sessions around a coffee pot that usually lasted for hours. It is the result of time and effort spent in trying to leave St. Mark's a single tangible reminder of the Class of '66.

We think this yearbook is an accurate reminder of our Senior year at St. Mark's, and we sincerely hope you enjoy reading it.

— Boys in a class brought closer together in the last year of their association —

SENIORS

The Senior Year . . .

...is generally a pretty good year.

This year Seniors were asked to exert their leadership.

You can find Seniors in groups . . .

...or alone.

There's work involved, whether it's alone...

...with another Senior...

...or with a teacher.

But despite the work, there's always time to laugh.

UNDERCLASSMEN

Junior Class

FRANK SEAY, Secretary-Treasurer; STEVE MORRIS, President; DAVE MORRIS, Vice-President

This year, the Junior Class played an important part in school activities. Juniors, alone comprising the varsity tennis team, dominated tennis in Dallas, and brought national recognition to St. Mark's. Juniors were recognized regionally as all-conference football players, and they supplied over half the varsity football lettermen. In number, the Juniors were the backbone of the band; they held half the key positions on the *ReMarker* staff, and according to tradition, a Junior was editor of the *Marque*. Through the tutorial program Juniors also helped underprivileged children in West Dallas. With Mr. Whatley as their advisor, the Juniors brought off a dance, outstanding for the sheer number of props it used to recreate the Wild West in the gym. They included a stagecoach, a bar, swinging doors, roulette wheel, and "money" for gambling and for bidding at an auction held at the close.

As usual, the Juniors were jolted by their first encounters with College Board tests and Mr. Callihan's physics.

In the Spring, Juniors underwent basic training for jobs they will fill as Seniors on the *Marksman* and in the Bookstore. Their enthusiasm evinced their promise as a Senior Class.

Sophomore Class

LOUIS EBNER, President; MIKE FRANK, Secretary-Treasurer; JOHN RAIN, Vice-President

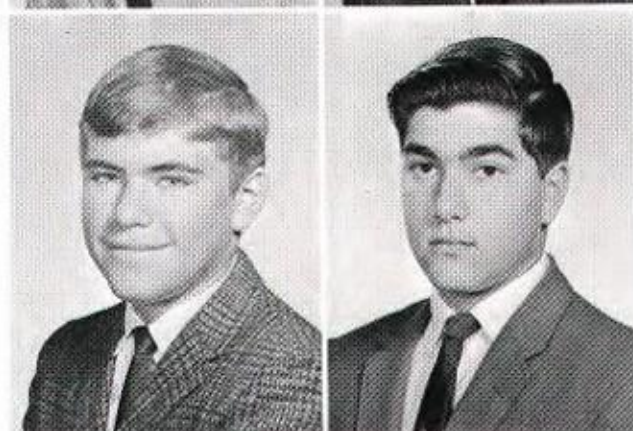

The Sophomore Class had a strong year in both academics and athletics. Sophomores dominated the scholastic part of school life by placing more members on the first and second honor rolls than any other class in the school. While taking time out for occasional participation in athletics, the Sophs competed on various athletic teams including varsity soccer and football.

The Sophomores, advised by Mr. Batchelor, tried to add their talents to various extra-curricular activities. They sang in the choir, played in the band, acted with the drama club, and contributed to the *ReMarker* and the *Marque*. The highlight of the year came when the Sophs put on their James Bond class dance.

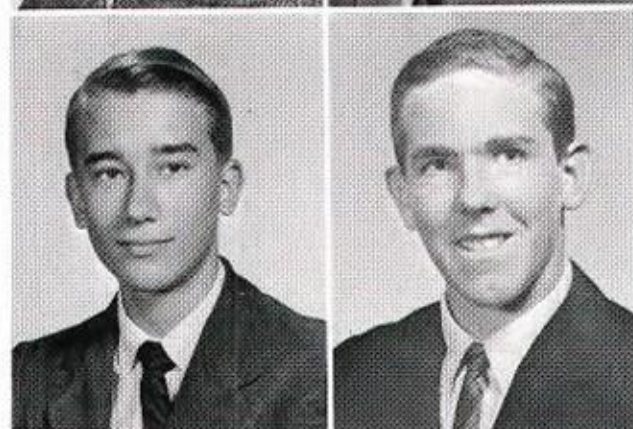

In all, the class of '68 promises to add much to school life in the coming years by contributing greatly to school activities.

Freshman Class

TOM WISE, Vice-President; JERRY HEARTSILL, President; ALLEN GREEN, Secretary-Treasurer

This year the Class of '69 had one of the most heart-warming receptions ever given to a freshman class. Numerous fizzy and shaving cream parties were given in honor of the Frosh, as they began their first year as upper schoolers.

Despite their partying, the Freshman Class managed consistently to place over one fourth of its members on the first and second honor rolls. Furthermore, the Freshmen held roles in several of the Drama Club's productions, participated in the Band, Glee Club, and Debate Club, and occupied five positions of the permanent *ReMarker* staff.

Athletically, the Freshmen participated in every sport offered, and their basketball team was perhaps the finest freshman team in the school's history. The Freshmen regularly attended varsity contests, and over one half the class traveled to Houston for the Kinkaid football game.

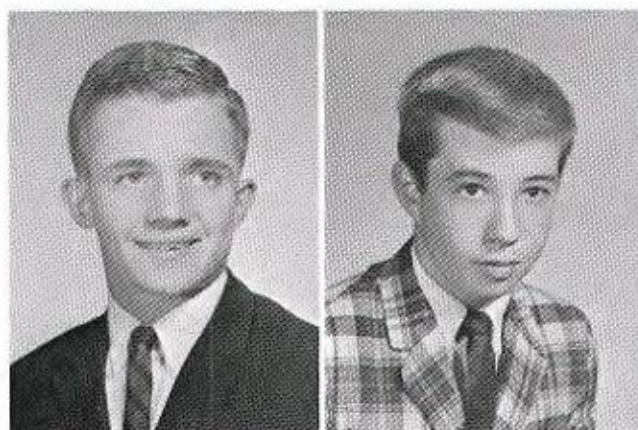

Freshman Day was somewhat of a disappointment because the Freshmen were forced to forgo the traditional fire drill, due to on-campus construction. Instead, the Freshmen decided to concentrate on an after-game party and to avoid the Seniors whenever possible.

All told, this has been a good year for the Freshmen in the classroom, in athletics, and in extracurricular activities.

Development Begins . . .

As enrollment at St. Mark's has doubled over the past six years, some of the facilities have become completely inadequate for the school's needs. The Development Plan proposes the best use for each of the present buildings, through modifications that not only increase their utility, but also merge into the architectural character created by the new buildings.

. . . Lead Tutorial Program

This year Saint Mark's students began a tutorial project for underprivileged children in West Dallas. Organized by Mr. Brad Gibbs of the YMCA, juniors and seniors reported to the Elmer Scott Community center every Tuesday afternoon to tutor children from the fourth to ninth grades. Although the children were tutored in math, English, and history, the program was not all work. All of Saint Mark's contributed to a library for the children, so that the children might realize that books could be read for enjoyment as well as for study. Tutors exchanged Christmas presents with their tutees on a personal basis and took them for tours of the city. The children were invited to Saint Mark's for dinner and to a show in the planetarium. It is difficult to say who benefited more from the project; while the West Dallas children were discovering the new horizons in knowledge, forming a firm academic basis for school, and finding out more about the world in general, the Marksmen were discovering the warmth and enrichment of helping the less fortunate to help themselves.

"First Team"

In its first year LION radio provided practical electronic and broadcasting experience for many students, while providing varied entertainment for the rest of the school. The radio had technical problems in its beginning; these were eventually overcome, and LION rapidly gained both quality and listeners. LION-TV began in the second semester with great success.

New facilities are imminent, and in future LION radio/TV will be able to provide even more educational and entertaining programs.

The International Club, started in 1965, was renewed and revitalized along a new concept. Not only did students meet and discuss international affairs, but they also invited several speakers to join them. The club programmed its meetings to reach a large number of St. Mark's students, and though the group often met at members' homes, it heard its guest speakers in the Science Lecture Hall so that as many students as possible could attend.

Two attractive girls, American Field Service exchange students from England and Denmark, were guests at the club's first meeting. Outstanding adult speakers at following meetings included General Paul D. Harkins, former commanding general in Viet Nam, and Yves Rodrigues, French Consul General. General Harkins' talk outlined the development and purposes of the war in Viet Nam, and Mr. Rodrigues commented on Charles de Gaulle's foreign policy.

I'll get you Red Baron!

The "High Flyers" hit the jet stream with great expectations and *high spirits*. Attention was first drawn to the windy trio when their lemon-yellow Debonair with a white racing stripe was reported as an U.F.O. over Galveston heading toward Mexico. The error was quickly corrected, but fuel trouble forced them to crash land on a foam runway at Johnny's international airport.

With "Webfoot" on the stick, and "The Man from Ada" navigating, the trio made a bomb run over Casady while the gunnery crew, "The Hunter", annihilated the target. With the completion of another journey, the yellow bird once again was stowed in the hanger to await the next time the club flew the coup.

This past year, Robert Zeiss and Frank Dyllick were the two members of the St. Mark's chapter of the American Field Service. Zeiss spent the summer before his senior year with a family in Greece. He corresponded with Dallas newspapers during his stay and, after returning, related his visit to Greece in articles published in the *ReMarker*.

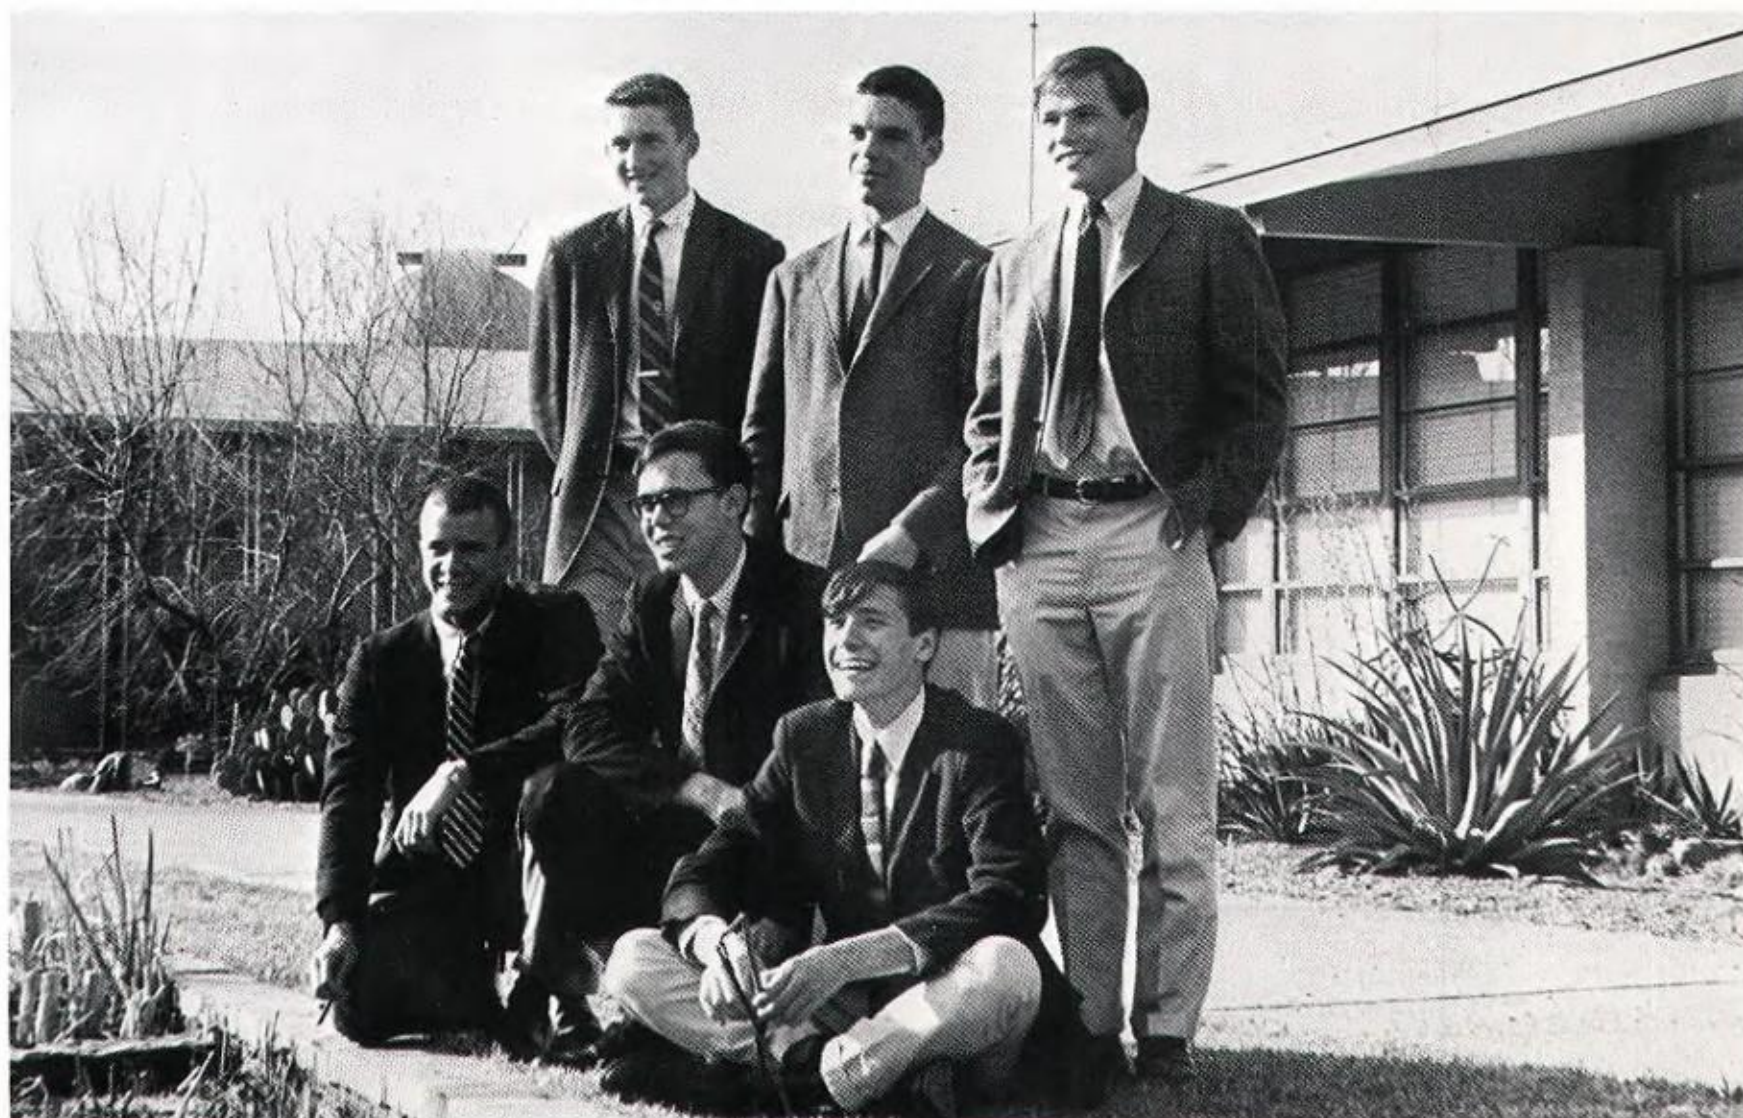

Frank Dyllick was the student from abroad who spent the school year living with a St. Mark's family. Dyllick was a senior at the school and graduated with the rest of his class. During the school year, he lived with the family of fellow senior Rick Geyer, and before returning to Germany, he toured the United States with other A.F.S. students.

The Student Council this year was headed by Greg Nobles, President; Bob Rozelle, Vice-President; and Bill Kohler, Secretary-Treasurer. Class presidents Georg Olson, Steve Morris, Lou Ebner, and Jerry Heartsill represented their respective classes on the Council. Frank Wiedemann, manager of the Book Store, and Sean Mitchell, editor of the *ReMarker*, were added this year in order to improve communication between the Council and the students.

The Council continued its traditional functions this year by maintaining the student lounge, running the Book Store, sponsoring the AFS student, organizing Fun Day, and giving the Homecoming Dance. In addition, the Council chose St. Mark's contestants for the Casady College Bowl. Two important new functions were the organizing of the West Dallas tutorial project and the sponsoring of the new disciplinary project. The tutorial program sent upper schoolers to tutor under-privileged students in West Dallas. Under the advisorship of Mr. Keeley, the Student Council organized and sponsored the new discipline project, which encouraged seniors to take an active part in correcting minor campus disciplinary problems.

From the time that Julian Wasserman painted a studious lion on the door, the Bookstore became a revitalized operation. It was clean, and its well-ordered shelves made even required reading look inviting. The store's business-like arrangement made it known that the seniors who ran it were attentive; and its red telephone lent the store an air of readiness and urgency.

This was the fourth year a bookstore existed on the campus. Its proceeds go to the Student Council, which in turn buys such items as furniture for the student lounge and typewriters for the newspaper and yearbook staffs. The Bookstore also supplemented the West Dallas Tutorial Program by collecting books at St. Mark's to start a library in a West Dallas community center.

In order to perpetuate itself, the Bookstore trained juniors to run it during the fourth quarter. The juniors were initiated into bookstore administration by ordering the summer reading books for the school.

The *Marque*, the St. Mark's literary magazine, this year entered its fifth year of publication. The purpose of the *Marque* is to give St. Mark's students the opportunity to exhibit their creative writing abilities outside the English classroom. This purpose was accomplished by an expanded staff led by editor Steve Wolfram and faculty advisor Mr. Robert Handy. The 1966 staff, in the late spring, published a magazine containing selections of short stories, poetry, and critical essays.

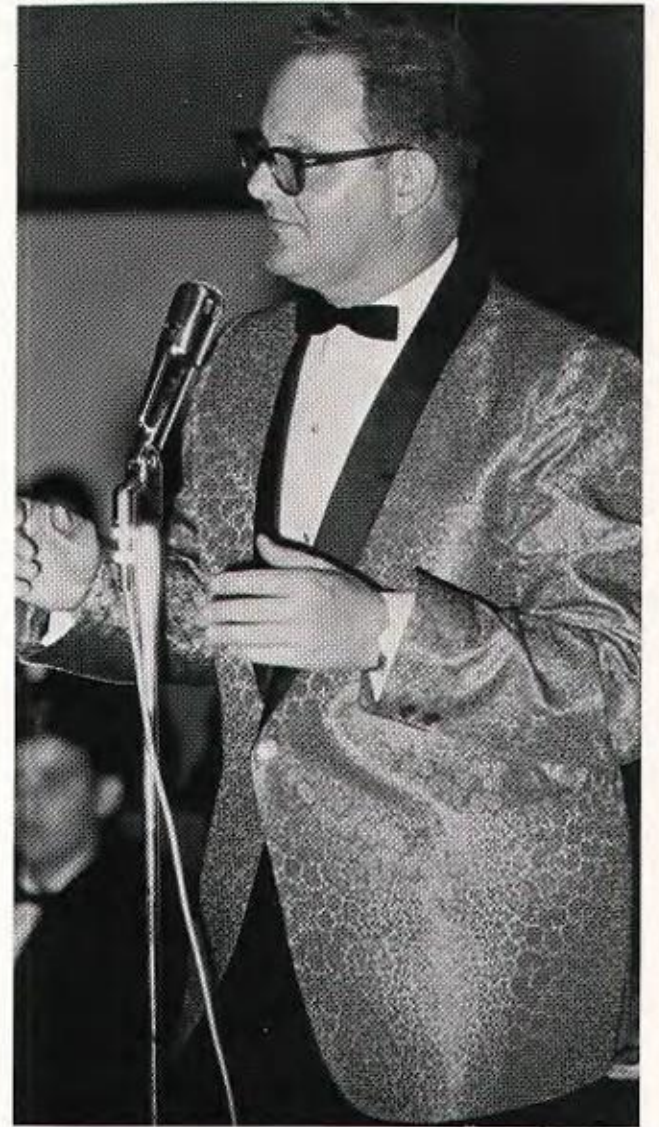

Band

At the beginning of the year, the thing most noticeable about the Band was its depleted membership. This difficulty was overcome, however, by Mr. Foster, who arranged music for his small group of thirty and made the Band an exciting experience.

Aside from playing at football games—one in Houston—and performing at end-of-the-year ceremonies, the Band made two jazz concerts its finest accomplishments. The Christmas concert and the Spring concert, which added the Latin beat to its jazz format, were captivating performances.

Mr. Foster conceived of his thirty players as exactly the right number to play jazz—his element. After constantly drilling on jazz patterns, converting reed players from clarinets to saxophones, then renting stage-band music stands and red tuxedos, and changing the title “Christmas Band Concert” to “Jazz Carnival,” Mr. Foster and his Lion Band gave forth bigger sounds than anyone had anticipated.

Drama Club

This was a year of great expansion for the Drama Club, as well as for the entire Fine Arts Department, under the leadership of Mr. Vincent. The drama program added a debate society, sponsored by Mr. Bennett. The success of the debate society was climaxed by a debate with Fort Worth Country Day School early in January.

In October, the club revived Samuel Taylor's *The Happy Time*, which had been done in the summer by the Harlequin Players. The play, the story of a young Canadian boy's growing up, cast for the most part the same actors used in the summer production.

Just before Christmas, the club produced *Billy Budd*, a dramatical adaptation of Melville's story of man's struggle to determine the nature of good and evil. The response was so overwhelming that the play was run for an extra night.

As in the past, the Drama Club endeavored to develop a close relationship with the Hockaday Drama Club by having both schools work in the same production. Late in February, the club presented a one act play, *The Lottery*, with Hockaday. All of the plays involved students from both schools in the set construction, the technical work, and the acting itself.

The Lettermen's Club served the school during football season by arranging for buses which carried spectators to the out-of-town games. Then, when the teams from other schools arrived on the St. Mark's campus for a game, they were welcomed by lettermen.

Keeping trophies in the gym up to date, the Lettermen's Club added the names of this year's teams' captains to the captains' plaque and placed the names of the most valuable players in each sport on their appropriate trophies.

An official St. Mark's sweatshirt—blue with the letters "SM" in white—appeared for the first time on campus. This was the work of the Lettermen's Club, which ordered the shirts and sold them through the bookstore.

The Homecoming dance was also a Lettermen's Club project. The Mothers' Club financed the dance, and the lettermen supplied the labor needed to assemble it.

The 1965 St. Mark's Lions varsity football team, with only eight returning lettermen, managed to surprise everyone as it assembled an exciting offense and an adequate defense to emerge as co-champions of the Southwest Preparatory Conference. The Lions compiled a season record of 5-4 during the football campaign. They began the '65 campaign with three straight losses but recovered and went on to win all but one of their conference games, that loss coming at the hands of St. John's.

Throughout the season the Marksmen's line was anchored by Howard, Threadgill, Bass, Lucas, and Mullen. A rugged backfield of Rozelle, Kohler, Nobles, Laney, and Landry was dependable for the short-yardage gains. In addition, the passing game of Wittenbraker to Jacobs and Trenary sparked the Lion's offense for the long yardage.

The Lions' three early losses were to Mineral Wells, Jesuit, and Bishop Dunne, all of which sported explosive offenses that took advantage of the Lions' young and inexperienced defense. However, as the Marksmen gained experience, the offense jelled and the defense tightened. The Lions gained their first victory at the expense of Bishop Lynch. The confident St. Mark's team went on to capture its first two conference victories: a 48-0 rout of Lutheran and a satisfying 27-14 victory over a tough St. Stephen's team. St. Mark's travelled to Houston to play a determined St. John's eleven and was handed its first defeat in conference play. A last minute passing drive, sparked by Wittenbraker and Jacobs, died deep in Rebel territory as the clock ran out on the Lions' title hopes. The following week the Marksmen bounced back to upset league-leading Kinkaid in another aerial show. The Lions clinched a tie for the conference championship with Kinkaid when they defeated the Casady Cyclones in a muddy Homecoming clash at Bailey Field in the season finale, 27-14.

Quist and Jesuit receiver go up high as Heape looks on.

The 1965 St. Mark's B Team completed a 500 season this year. The team got off to a fast start, tying their first game and then winning three straight. These victories can be largely attributed to the hard running of Scott Heape and Kevin Quist, along with outstanding line play from Lou Blumberg, Jon Snead, and Peter Stokes. Coaches Batchelor and Wood inspired the team to this gratifying season.

The 1965-66 basketball season was the most successful in the school's history. The Lions were paced by returning starters Georg Olson (avg. 9.6), Craig Rathmann (avg. 16.9), and Dave Morris (avg. 13.2). With the addition of Rick (avg. 17.5) and Tom (avg. 10.3) Wittenbraker, the team jelled into one of the top teams in the state. Winning its first 19 games, the team captured two tournament championships—Lancaster and Lon Morris—and beat outstanding teams such as Highland Park, L. D. Bell, Lake Worth, and Waxahachie.

In the Dr. Pepper tournament, the Lions started strong by defeating Hillcrest for their 20th straight victory, but the string was broken when they lost their only game of the season to Bryan Adams.

The team reached its peak in conference action. They beat every team by more than 30 points, including the South Zone Champion Kinkaid 108-60. All five starters made First Team All Conference, and sixth man Al Hirsch was awarded Honorable Mention. With two starters coming back, the Lions next year will again have one of the finest teams in Dallas.

Coach John T. Whatley

The 1965-66 St. Mark's Swimming team completed its most successful season with a dual meet record of eight wins and four losses.

Highlights of the season were victories over Thomas Jefferson and Hillcrest High Schools. A school record was set in the 400 yd. Freestyle Relay by the team of Helfand, Lacy, Beard, and Netzorg. In diving, Bill Dodson and Charles Nearburg bettered all past performances in this event.

The collective efforts and overall improvement of this year's swimming team, under the excellent supervision and training of Coaches Whatley and Wood, resulted in by far the best team St. Mark's has ever had. The team compiled a total of 640 points to their opponents' 495. The core of the team will return next year and should be even more successful than the 1965-66 swimming team.

Standing l. to r.: Coach Hoffman, Mgr. Wasserman, Captain Mitchell, Seay, Conklin, Laney, Landry, Brand, Harris, Merritt, Johnson, Schmoeller, Ginsberg, Foxworth, Coach North, Ludlow Jr., Rozelle. Kneeling: l. to r.: Frank, Seay, Clarkson, Nobles, Garnsey, Wincorn, Jackson, Kohler, Wolfram, Wiedemann, Mgr. Goren.

The 1965-66 varsity soccer team compiled a successful 12-5-1 record during the Dallas Soccer Association and the Southwest Preparatory Conference campaigns. This performance gained the Lions third place in the eight-team Dallas league and second place in the S.P.C. Led by Captain Sean Mitchell and Co-captains Warren Foxworth, Frank Wiedemann, and Dick Wincorn, the squad managed a satisfying 6-4-1 record in the DSA games and a phenomenal 10-1-0 record against high school opponents. Excellent defensive play by the Marksmen fullbacks and goalies was an outstanding factor in the Lions' success. The inadequate offense of last year was revamped for the '65 campaign, while the entire defense was back for another season. The Lions were strong at inside and halfback but lacked the wing play for a more potent offense. In their 18 games the Lions scored 50 goals to their opponents' 27.

In the S.P.C. North Zone tournament in Dallas, the Lions combined a 5-0 victory over Fort Worth Country Day with a 1-0 loss to Casady. The team then travelled to Houston for the South Zone and for the second straight year managed to defeat all three Houston teams—Lutheran 6-0, St. John's 3-0, and Kinkaid 7-1—to place second in the S.P.C. behind undefeated Casady. An unusual statistic concerning their conference play shows that the Marksmen scored 21 goals while allowing their opponents only 2 during the tournament.

Though thirteen senior lettermen played their last soccer for St. Mark's, ten returning lettermen should provide the nucleus for another strong team in 1966-67.

The 1965-66 Lion soccer team, composed of well-conditioned and skilled athletes, was an outstanding unit which at times played better soccer than one could expect from a prep school team. Moreover, the individuals on this squad achieved stature as school and class officers, as leaders and founders of numerous extracurricular activities, as able and dedicated students. Most of the members of this team represent what I consider the most valuable product of St. Mark's—the Student-Athlete.

The St. Mark's Cross-Country team had a rough year running against 3A and 4A competition. The team did not have very much depth but had a few good runners. Ben Harris, Richard Whitehurst, and John Myers placed high in the meets in the Dallas area. In the conference meet the team came in third with Whitehurst and Harris finishing fourth and fifth respectively. Next year with many returning lettermen the team should be one of the top 3A teams in the Dallas area.

TO THE CLASS OF '66 FROM A FRIEND

He has achieved success who has lived well, laughed often and loved much; who has enjoyed the trust of pure women, the respect of intelligent men and the love of little children; who has filled his niche and accomplished his task; who has left the world better than he found it, whether by an improved poppy, a perfect poem, or a rescued soul; who has never lacked appreciation of earth's beauty or failed to express it; who has always looked for the best in others and given them the best he had; whose life is an inspiration; whose memory a benediction.

He's never watched television, slept under

And, chances are this college age student in India won't be able to enjoy these things for some time . . . if ever. In his country, electricity is still a luxury. Even though India has tripled its use of electricity in the last ten years, most things are still done by hand. And the standard of living in India, compared to countries who use large amounts of electricity, is still low.

You see, a country's standard of living is closely related to its use of electricity. And the hundreds of mil-

lions of people in the entire nation of India use little more electricity than do the people in *Dallas*!

The abundant supply of low cost electricity in Dallas helps you enjoy a better way of life, every day. Next time you switch on a light or use an electric appliance, remember that much of the world's population still lights with lanterns, and does laundry in a river.

CARRIER STARTED IT ALL

More than half a century ago Dr. Willis Haviland Carrier determined the scientific principles of air conditioning and a great new industry had its inception.

The foundation of the Carrier enterprise was and is research and engineering. Work in these fields continues in the finest facilities of the industry through expenditures of many millions of dollars each year.

Remember when this was pocket money?

By now you've probably come up in the world. But chances are you're still carrying loose money the way you did way back when.

Ever thought about opening a checking account?

Commonwealth National Bank has one especially for you. It's called a "Cap 'n Gown" account. You get your own personalized checks.

And there are no service charges or minimum balance requirements. We defray the cost by an initial charge of 5¢ per check instead. A minimum quantity of checks is 50 so the cost is \$2.50 plus 5¢ tax.

Come see us. And get a sound start on your financial future...even if you're still in the 50¢ category.
